Long time no see. For those who are reading my works for the first time, hello. I'm Kitagawa.

Thank you very much for purchasing my 10th book. I started "Amoko ni 1000%" exactly one year after the first chapter of my other series "Amoko ni WA3" [it's Wa to the power of 3] in the same volume number. I don't know if it's a coincidence or what, but the reason why Azusa and Ikumi exist is thanks to all you readers!
